Dear Islip Town Residents,

The Islip Town Board and I are pleased to present the 2017 summer issue of the *Recreation News*. We hope you will take advantage of the many activities and instructional opportunities available, as we head into the summer months.

There are many ways to enjoy the “**Magic of the South Shore**,” especially during warm weather. Please take a few minutes, and enjoy a relaxing stroll at one of our many parks, marinas or beaches.

We are happy to announce that the Town will be offering Red Cross Certified Lifeguard Courses for the summer season, **beginning May 31st**. Please call the **Town's Sports and Aquatics Office at (631)224-5404** for more information and to register.

Please take advantage of the on-line reservation system for the Town's **Atlantique Marina**, on beautiful Fire Island, which will be available on the Town's website, at www.islipny.gov **beginning May 15th at 9 a.m.**

We are excited about our “**Monday Food Trucks, Film and Family Nights**” this summer! Please view the Summer Events section of this issue for details.

This issue of *Recreation News* includes registration information for our Fall Toddler through Elementary Programs. Be sure to take a look at the offerings for the little ones in your life.

Please remember to visit our website at www.islipny.gov and sign up for our Town's informative **e-Alert program**. E-Alerts are the fastest way to receive important announcements and information as soon as it becomes available.

Do not hesitate to call us, should you have any questions about any of our programs and parks. The Parks Department can be reached at **(631)224-5411**, and will be more than happy to assist you.

TOWN OF ISLIP AND THE U.S. SPORTS INSTITUTE

SUMMER SPORTS SCHEDULE

The U.S. Sports Institute is at the forefront of providing quality sports camps and programs, working with community based organizations across America. We enable each camper to grow in an atmosphere that promotes integrity, self-esteem, positive values and good sportsmanship. We are dedicated to delivering quality programs, where children will not only have fun but also learn that "character really counts!"

Lacrosse Foundations: This program is designed for beginner players who have little or no experience in lacrosse. With an emphasis on passing, catching and scooping, participants will learn how to play lacrosse through a series of activities and then take part in small scrimmages to put into practice what they have learned. It is a great way to learn this popular sport, while having fun!

Multi Sports: Ideal for any child just starting out in the world of sports, this program introduces children to a new sport in each session. Children will have the opportunity to try Soccer, Lacrosse, Basketball, T-Ball, Floor Hockey, Flag Football and more!

Soccer Camp: This soccer camp is perfect for players of all levels. To ensure that we develop future soccer stars, we group players together based on age and ability. This allows players to experience the excitement of soccer through the concepts of free play, self-expression and creative imagination by competing with players of equal ability.

Track & Field: Focusing on kinetic development, USSI Track & Field programs are designed to build endurance, strength, improve balance and coordination, and promote a healthy lifestyle all in a fun, safe environment. Children will have the opportunity to run, jump, and throw using age-appropriate equipment under the direction of USSI's professional coaching staff.

ISLIP ART MUSEUM SPECIAL PROGRAMS

IAM Up Late Series is an Islip Art Museum signature event. IAM Up Late is Long Island's premier after-hours multimedia artist networking event and public arts experience, with a goal of providing new and innovative museum quality opportunities for artists of various career levels and disciplines. It is the only event of its kind presented by a museum on Long Island serving the culturally thirsty needs of the community at large, and providing a unique participatory arts event that one would normally have to travel at length and great expense to experience. These planned festival dates are coordinated in conjunction with the museum's main exhibit openings, and incorporates artwork in a variety of forms including performance art, projected digital work, site specific installation, music and dance. Each event invites a collaborating artist group, collective or organization. Please visit islipartmuseum.org for IAM Up Late event details.

IAM SLIDE SLAM SERIES 2017

The Islip Art Museum will host a series of Slide Slam Events in collaboration with various arts organizations, museums, and galleries. Fifteen artists will have five minutes each to present their artwork to an audience filled with curators and arts professionals! Please join us and be introduced to a variety of artists that may be a fit for your venue or gallery. The Slide Slam Series focuses on creating opportunities and merging LI's creative clusters in efforts to address the lack of national awareness for Long Island's thriving artistic community. This special programing will consist of three Slide Slam events serving to unify LI's creative clusters by creating numerous substantial opportunities for artists through collaboration with other organizations, curators, collectors, arts professionals, and collectives. As a result, we hope to strengthen the collective artist presence on Long Island and be considered as a whole, like our neighboring arts communities such as Brooklyn/ Dumbo, Hudson & the like. Please visit islipartmuseum.org for Slide Slam Series event details.

PLEASE VISIT ISLIPARTMUSEUM.ORG FOR ALL EXHIBITION AND EVENT DETAILS.

In addition to all the estates that dotted the Town of Islip during the latter half of the Nineteenth Century there were a number of hotels that catered to not only the well-to-do, but also others that came to enjoy the summers here in Islip Town. Through pictures from the Town archives, the display will bring this time of hotels and recreation back to life.
